**Schedule of Benefits**

The following table represents the medical services currently covered under the EASE BRONZE™ Plan, as well as the permitted interval and any requirements of such medical services. This plan does not utilize a network for any facilities. All services performed in a medical facility (for example, a hospital as opposed to a primary care physician's office) will be subject to Reference Based Pricing (RBP) reimbursements based on a multiple of the Medicare Reimbursement Rate.
